October 2023

### **Your Gateway to Balinese Treasures Introducing Gagapan, Our Gift Shop and Souvenir Center**

In keeping with the spirit of Bali, several outlets within our resort have chosen to embrace the Balinese language for their naming. We take pride in our commitment to promoting Bali's rich cultural heritage and the island's vibrant culture.

One of the outlet name is "Gagapan", which means "suvenir" or oleh - oleh in Indonesian. Derived from the genuine Balinese, the word of gagapan is not just a name. It is an embodiment of our dedication to preserving local Balinese traditions. From the moment you step into this outlet, you will be greeted with a warm and inviting ambiance that allows our guests to discover a treasure of locally sourced Balinese delights.

We understand the importance of offering the guests a delightful yet convenient shopping experience in the hotel area. Our top priority is providing easy access for our guests to find variety of gifts, food, and drinks that cater to their needs without ever leaving our tranquil haven. From the aromatic locally sourced Balinese coffee and tea to the indulgent chocolates, Gagapan is more than just a store. It connects the travelers to the little piece of this isle's unique flavors, and they can carry it home with them when returning to their homeland.
