**JOURNEY TO FUN:
UNVEILING OUR EXCITING GECKO KIDS CLUB**

Nusa Dua Beach Resort is excited to unveil the vibrant and engaging Gecko Kids Club, a haven of joy and exploration for junior guests. Designed to ignite imaginations and provide endless fun, this dynamic play area offers a perfect balance of indoor and outdoor activities that will captivate children’s hearts and minds.

The name “Gecko” holds a special meaning. It was inspired by the playful and lively gecko. This playground embodies the essence of joy, curiosity, and boundless energy. It aims to create an environment where children can explore their imaginations, build friendships, and indulge in the magic of being a child. We invite families to embark on a journey of joy and discovery, where the younger guests can immerse themselves in exciting adventures, fostering creativity, and making memories that will last a lifetime.

Conveniently located nearby the public pool and Tamarind restaurant, it provides a central hub for families to come together and make the most of their resort experience.

Outdoor adventures come to life with the unique concept of the Rabbit Hole. Surrounded by a safe and secure artificial grass area, kids can embark on imaginative journeys, exploring hidden nooks and crannies just like in wonderland. The inviting tents create a cozy and playful atmosphere.

Indoor excitement awaits in the tree house replica brings a delightful space that ignites the spirit of adventure. A wide range of entertaining games are also available for endless opportunities for them to laugh and play together with their peers.

Under the watchful eye of our dedicated team, we commit to providing a safe and fun-filled experience that will leave a lasting impression on every child who walks through our doors,” stated Pierrick Gautier General Manager.
