**PENCILS FOR KIDS:
TOGETHER, LET'S SUPPORT MORE CHILDREN AND BRIGHTEN THEIR FUTURES**

The Pencils for Kids, dedicated to providing stationery supplies to children in need, has achieved remarkable success at the Nusa Dua Beach Hotel & Spa. Chosen as the ideal venue for preparation, the function space, Shanti Room, witnessed the enthusiastic efforts of the associates involved.

This annual event was held last Sunday, 16 July, marked by the careful preparation of 1,000 stationery sets to be distributed to children who require educational support. The founder, Retta Jitner, expressed her profound excitement upon witnessing the passion from the associates and the generous sponsorships received from Cathay Pacific, ASITA Cargo, and Smiling Tour.

In addition, she included another statement;

"We look forward to experiencing the joy of this program again next year, with an expanded team and even greater support."

The spirit of collaboration and commitment from all involved parties demonstrated a desire to bring a positive impact on children's education in other cities and countries as well.

The primary objective of this charity is to support children's educational needs by providing them with essential stationery supplies. The main purpose is to make a lasting impact on the lives of these children, nurturing their academic journey and opening doors to a brighter future.

This heartwarming program exemplifies the power of community-driven initiatives and showcases the unwavering dedication to uplifting education for disadvantaged children. The success of this year's event sets the foundation for a promising future, with plans to expand the program's reach and impact.
