

## PRESS RELEASE

July 2023

### JOURNEY TO THE SEA A TURTLE RELEASE PROGRAM WITH NUSA DUA BEACH HOTEL & SPA, BALI

Nusa Dua Beach Hotel & Spa is proud to announce that we conducted a Turtle Release Program last Tuesday, July 25, 2023.

This event is a unique opportunity for our in-house guests to actively participate in the conservation efforts of these magnificent creatures and make a positive impact on marine life.

For junior guests, this opportunity brings an interactive yet educational experience that instills a love for nature and fosters environmental consciousness from an early age.

It promotes a sense of responsibility and empowers individuals, regardless of age, to become advocates for the protection of endangered faunas. The little one who released the first baby announced as the winner and received a resort's mascot doll, the squirrel.

By participating in this program, guests can witness firsthand the journey of rescued sea turtles as they return to their natural habitat.

At this joyful moment, we released 111 baby turtles and participants will have an inspiring moment. Wishing our little warrior the best of luck as these incredible creatures return to the ocean, ready to continue their journey.
